Global Training Education Program

PHASE 1 & 2

UK INDIA EDUCATION COLLABORATION

Prof. Shital Bharwad  
(UK Qualified Lecturer)

#### Director - Global Training Education Program

“Education is a Stepping stone to Gaining Employability in the Work Sphere.  
Education that helps young people develop Life Skills has Transformative Potential.

At GTEP UK, we Believe in Education Beyond Geographical Boundaries which is All Encompassing and Global both in Approach and Output. Applied Education can bridge the gap between Academics and the world Of Work

We seek to motivate and inspire young minds to maximise their Productivity and Channelize their Energies positively and efficiently by Enhancing their skills and by training Professors who become Facilitators and Mentors for the Best Guidance.

We are passionate about Training Faculties and Students by Realizing and Recognizing the rapidly changing needs of the Global Workforce. Education is not only a Ladder of Opportunity, but it is also an Investment in our Future. This is what we aim to achieve by ensuring completion of organizational goals while generating employer-employee satisfaction in the 21st Century Global Sector.

As Dalai Lama rightly put it, “when Educating the Minds of our Youth, We must Not forget to Educate their Hearts.” This is where GTEP UK strives to be distinct.

Founder & Director of GTEP UK

Founder & Director of GTEP UK  
Global Training Education Program

UK INDIA EDUCATION COLLABORATION

Geoff Wain  
Hon’ble British Deputy High Commissioner  
Ahmedabad, Gujarat, India

Respected Hon’ble Geoff Wain,

It has been a great honour and privilege to receive the valuable support and validation of British Deputy High Commission, Ahmedabad for GTEP'S UK - INTERNATIONAL FACULTY DEVELOPMENT PROGRAM. We wish to convey our heartfelt gratitude for your continued support and encouragement and ensuring the smooth operation of our program in both phases and also for playing a pivotal role behind the culmination and materialization of our vision and mission.

From travelling to distant places even in difficult personal conditions and being so easily approachable on calls and accommodating all meetings and functions in your busy schedule, your support has been immense. We are grateful to you for making sure that all formalities were carried out in a timely manner which made a big difference to our overall functioning.

We are pleased to inform you that GTEP's IFDP Phase 1 and Phase 2 programs have been successfully completed where we have trained and connected with 5000 faculties all over Gujarat. The response has been phenomenal and overwhelming. Without your valuable contribution and efforts, our program would not have been such a huge success.

Thanks a lot for validating the Certificates of Faculties with your valuable signature. We are now looking forward to initiate Phases 3 and 4 of the Program where selected faculties and esteemed members of the Gujarat Education Department will visit the UK.

The flag of UK INDIA Government Association and Education Collaboration continues to fly high and way forward for long term UK India Association. It was possible only because of your vision and continued support. Hope our association continues and becomes stronger along with UK INDIA ties.

Thanks & Regards

Prof. Shital Bharwad (UK Qualified Lecturer)
